£40,000 + £5,000 Car Allowance +
Uncapped Bonus + Benefits

Join a Chartered Firm

Working for a firm of financial planners that has achieved Corporate Chartered status has many benefits, not least of which is the recognition that you are working for a firm that has a dedication to the highest standards of excellence and professionalism, and evidence of their commitment to customers, partners and employees.

As an Experienced Financial Adviser, you will have experience of building long term relationships with your clients. You will be looking for your next move, and want an environment in which you can thrive and offer clients the best kind of proposition and service.

You will be provided with the following:

- ▶ A supportive T&C and compliance regime
- ▶ Industry leading systems & IT.
- ▶ Independently constructed investment proposition
- ▶ Administration support
- ▶ Lead Generation
- ▶ Professional Introducer connections
- ▶ Qualification support on your road to Individual Chartered Status
- ▶ A generous validation level and bonus model

We are looking for client centric advisers with the ambition to be highly successful.
